Resolution No. 8372/30.

Bombay Castle, 4th December 1948.

Read Government Resolution and Government Notification, Reconstruction Department, No.8372/30, dated 30th July 1947.

Letter from the Government of India, Ministry of Defence (Army Branch), No.8330-D. O/48, dated 30th July1948, to the Secretary, P.W.S.R.Fund Committee and P.S.S.& A. Board, Assam, Shillong:-

"With reference to your letter No.PSR. 17/48/30, dated the 8th April 1948, I am directed to say that the P.W.S.R. Fund was constituted as a result of the generous grants by Government in respect of all serving personnel of the Indian fighting forces. This grant was made during the closing years of the war when the I.N.A. had no identity with the Indian Army.

With the changed attitude towards I.N.A., however, insistence on technicalities is no longer necessary. I.N.A. men have now been recognised as eligible to all benefits which accrue to retired or discharged servicemen, and therefore arrangements should be made to include them for benefits from the Central as well as all Provincial and State Post War Reconstruction Funds."

Letter from the Government of India, Ministry of Defence (Army Branch), No. 10015-D.O, dated the 12th November 1948:-

"I am directed to say that the resettlement benefits are not meant for civilians recruited by the Indian National Army from persons who were not members of the Indian Armed Forces. If the fund is opened to civilians, it will affect the interest and morale of the Service and Ex-Service Personnel."
